

## LETTER OF INVITATION

Dear Re-Imagining Community –

Your help is needed!

**Do we continue as a Re-Imagining Community or is it time to graciously close?**

**If there is no response to the survey, we will consider that a vote for ending the Re-Imagining Community.**

We re-incorporated a few years ago in order to write our own history before many of the stories and archival material disappeared. A website was created; Facebook page was created; all materials were digitized; over 70 interviews were recorded and transcribed. An incredible gift to future generations!

Then, in 2018, we partnered with various churches, universities, and a spiritual center to celebrate the 25<sup>th</sup> Anniversary of the historic and international 1993 Re-Imagining Conference by hosting seven events on Re-Imagining themes! What a wonderful year!

Times have changed. The current Coordinating Council does not have the time, resources, or energy to sustain the non-profit Community beyond what we are doing. We have not been able to recruit or engage the younger generations for any duration. If we are to continue, we need new direction and energy from the main body to carry that mission forward

At the same time, technology has changed and expanded. We are exploring whether we can continue our mission, including coordinating new small groups, using social media.

**We need your input for how best to proceed – what are your hopes, needs, and possibilities?**

A new member, Diana Turner, has ideas to

- expand the community
- create regenerative revenue
- increase the numbers of persons reached

You can help ~

1. **Take 5-10 minutes to complete the survey** attached (*Survey Monkey program*) by clicking on the link. **Due: Monday, June 15<sup>th</sup> by midnight.**

**[Click Here for Survey](#)**

2. Consider joining a special visioning circle for the next 3 months (July – September) to meet bimonthly to listen, imagine, and decide the future. (*You don't have to live close by – you would be welcome to join by Zoom which could be set up for you!*) If you are interested, there is place to indicate this on the survey.

3. Continue to pray for our unique and prophetic Re-Imagining Community for clarity, perspective, and direction.

Thank you for your steadfast faith in re-imagining our way together. May we be open and receptive to the wisdom of Sophia as she continues to make herself known to us.

On behalf of the Re-Imagining Coordinating Council
